

Product Release

RETRO SMART CHECK® VALVES

Now Available in Full Flow Acme Threaded Configurations for Field Replacements and Upgrades

Switch out and upgrade old style restrictive Center-Poppet Spring or old style Swing Check Acme Threaded valves with ease!

There is no longer a need to purchase the entire valve assembly and discard the Union Fittings. Magic's Retro is sold separately as a replacement body in 1½" and 2" sizes.

Most importantly, you get the same Full-Flow design as Magic Plastics' innovative and popular Smart Check® Valves. The light ½ lb. spring allows you to install the valve in any orientation while still achieving a 100% Full-Flow opening.

Magic Plastics. The Reliable Source.
